### ⚠ EXTERNAL

Kevin and Leita,

I am attaching the redlined protective order that you sent with one change to the preamble. We don't know that there really is information that warrants production under seal, but are willing to stipulate to entry of the protective order to facilitate our receiving discovery, so we are not comfortable stipulating to broad factual representations that may be applicable in other cases.

If we can now finalize this, please let me know so that we can e-file it and make arrangements for production of responsive documents.

Thank you,  
April
